Language	English
Item Size	61.0M

In 1995, Disney Interactive, Inc. published Disney's Timon & Pumbaa's Jungle Games on Windows. Created by video game studio 7th Level. Supposedly aiming at a much more consumer-driven younger market, this game (with the two wisecracking sidekicks from Disney's Lion King) features Five arcade-style mini games: Burper, Hippo Hop, Sling-shotter, Bug Drop and Pinball.

The exe included is a 64-bit compatible DosBOX emulated version of the original game, as produced by The Collection Chamber
